April showers bring May flowers,  
That is what they say. But if all the  
showers turned to flowers,  
We'd have quite a colourful day!

There'd be bluebells and cockleshells,  
Tulips red and green,  
Daffodils and Chinese squill,  
The brightest you've ever seen.

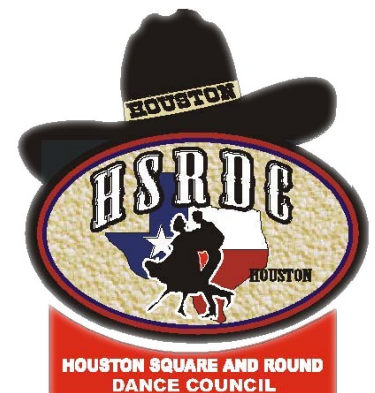

You'd see tiger lilies and water lilies,  
Carnations pink and blue,  
Forget-me-not and small sundrop  
Glistening with the dew.

We'd have fireweed and milkweed  
And many more different flowers.  
Mexican star and shooting star,  
Falling in the showers.

And if all the showers turned to  
flowers  
On that rainy April day,  
Would all the flowers turn to showers

In the sunny month of May?

I never knew there was an entire poem  
on the subject. I thought it was a one  
line saying always heard in elementary  
school and generally on the teacher's  
board decorating the classroom. But  
it's a poem. Don't know the author,  
that was all I got from Google. Happy  
April everyone. Celebrate spring by  
dancing!

## Dancing Right

by Brian White

I'm back! I'm finally getting over my health issues I've been dealing with for about the last fifteen months. I thank everyone for your concern and prayers.

The Houston Callers Association had a meeting Sunday, March 18, 2018 with nine area callers, one round dance caller, one out of state caller and two dancers present. The HCA is implementing a certification process for our member callers. This certification has two parts; the first certification will be for Basic level 1, Basic level 2 and Mainstream. The second certification will be for Plus. I assigned Tim Ploch, Wade Driver and Bob Baier to make up this committee with Tim Ploch as chairman. Tim has devoted many hours to complete this program with the help of Wade and Bob. We truly hope that all our local callers will earn their certification on both parts.

I would like to remind all HSRDC member clubs that the HCA will call a dance for each club once a year for your club. If you would like to take advantage of this offer please email me. We do not charge for calling but we will not turn down a donation to the HCA.

That's all I have for now. Next month I will be focusing on one particular movement as I did in the past. So, let's get back to learning.

Brian White  
President – Houston Callers Association

### YOUR TEXAS HISTORY MOMENT.....

San Jacinto Day is a day of state pride for Texans in the United States on April 21 each year. It commemorates the Battle of San Jacinto between the Texan army and Mexican forces, which took place on April 21, 1836. The battle was a turning point for Texas’ independence from Mexico.

Around 1820, the area that is now Texas was part of the newly independent country of Mexico. However, there was a strong push for an independent Republic of Texas so, in 1835, the Texas Declaration of Independence was drafted and a provisional government was formed. This movement was supported by a wave of volunteers from the United States. In 1836, Mexican president Santa Anna travelled to Texas to bring down this uprising. His campaign started successfully and the Mexican forces regained control of a number of areas.

Texan forces fought and won the Battle of San Jacinto on April 21, 1836, and captured General Santa Anna afterwards. This event led to negotiations for Texas to become fully independent from Mexico. The site of the battle is now known as the San Jacinto Battleground State Historic Site, which is close to the Houston Ship Channel and the cities of La Porte and Baytown. The site features the San Jacinto Monument, which is 570 feet (or about 174 meters) high and the world’s tallest masonry tower.

The Battle of San Jacinto lasted for only 18 minutes. However, hundreds of Mexicans were killed, injured or captured. Nine Texan soldiers were killed and 26 were wounded.
