The Origin of Mother's Day: 5 Surprising Facts About the Holiday

These days, Mother's Day is all about greeting cards and flowers — but the history is more complex than you might know.

1. Mother's Day officially began as a tribute to one woman. Anna Reeves Jarvis is most often credited with founding Mother's Day in honor of her Mother.
2. But before that, Mother's Day started as an anti-war movement.
3. Mother's Day is a \$25 billion commercial holiday.
4. Anna Jarvis died regretting her idea for this very reason.
5. The white carnation is the official Mother's Day flower.
