The Houston Square and Round Dance Council
Lost one of its Past Presidents due to a long term illness

Karen Cox Whiteman

1980-81

She and Ron Cox served as Presidents from 1980-81 and they held the festival on October 17-18, 1980 and named it, "Down on the Bayou." After the City of Houston changed the dates and raised the rental fees, they moved the festival from the Albert Thomas Convention Center to the Astroarena. This was the first festival held in the Astroarena, and it was very successful. Lem Gravelle was the caller. During their term of office, the format of the Council Newsletter was changed from a single page to the current format.

PRESIDENT'S MESSAGE

How wonderful it was to see the Houston dancers at the State Festival in San Marcos. A great time was had by all. After great dancing each night HSRDC hosted an after party for the dancers to congregate and visit. This also seemed to be a hit. How nice it was to see many callers and cuers from our area there giving their time to bring about great calling and cueing. Callers and cuers representing the Houston area(s) were Bob Baier, Matt Barnes, Gary Belcik, Jay Flowers, K. O. Jeanes, Gary Sanders, Brian White and Mark and Pam Prow. You also may be familiar with cuers Ed and Martha Koslosky (also Assistant Festival Chairman), Gloria Jackson, Jerry and Lucy Pate and caller Les Hughes. These callers and cuers received only a small token for their services. Please take time to thank them for their donations to help keep our great activity going and making the State Festival a success.

In addition to these callers and cuers Houston area had workers to help make it a success: Charles and Avis Raney, Prize Raffle Vice Chairman; Ralph and Gaylene Bynum, Vender /Booth Vice Chairman; Bob and Patricia Lester, Program Director; George French, Bob Lester and Charles Raney, Color Guard. Dancers like Jerry and Nanette Tucker, Ralph and Gaylene Bynum and Charles and Avis Raney manned tables. Roxie and Bruce, Jerry and Linda Edwards, Jerry and Nannette Tucker and Jim and Sandy Hallmark were in the Fashion Show. Jan Albers brought a bus of dancers for the Saturday evening dance. Take time to thank these people as well for their time and energies to keep our activity alive.

Let's not forget the dancers that came to enjoy themselves. Many of them helped with setup and cleanup of the after parties. Ask them about the good time they had!!!

If you missed it this year be sure to place it on your dance calendar for 2014. June 12-15, 2014 in Tyler is the date. The State Festival is one of four dances the Texas State Federation of Square and Round Dance sponsors each year. They are spread around the state. On February 28 and March 1, 2014, Houston will host the Conclave meeting in Katy. Be on the lookout for more details. It will be our chance to visit with dancers from around the state as well as make some money!!

Come join us while we have fun

Roxie and Bruce

STATE FESTIVAL 2016—WHY WACO?

Texas Federation of Square and Round Dancers asked Houston Square and Round Dance Council to consider hosting the 2016 State Festival. The last State Festival hosted by HSRDC was June 2010 at the Galveston Convention Center. The 2015 Festival will be at the Waco Convention Center. Waco guaranteed the same price if we held the convention there in 2016 as well.

At the May 11, 2013, HSRDC meeting, a motion was made for HSRDC to be the host for the 2016 State Festival and the motion was passed. It was also determined that a committee would be formed to conduct a search of the existing venues in the Houston area and see if we could hold the dance in the greater metropolitan Houston area. The committee members are: Lewis and Marilyn Chumbley, Secretary of TSFSRD (and president-elect for 2016), Bruce Behrens and Roxie Walker, President of HSRDC, Jim and Dee Stephens, past president of HSRDC (and president when the last state festival was held in Galveston) and Darrell & Susan Pittman.

We looked at many options and received bids from many venues in and around the Houston area. The two most promising and reasonably priced were Lone Star Convention Center in Conroe and Moody Gardens in Galveston. We also received bids from hotels in the area, such as the Greenway Doubletree (formerly the Renaissance), the Woodlands Inn and Conference Center and the Marriott Westchase. Because June is wedding season, and because hotels can get up to \$10,000 for a ballroom per night, they were not interested in accommodating our request for 6 dance rooms, plus other rooms at a price that TSFSRD can afford and to further complicate matters, flooring would have to be rented, as most of these facilities are carpeted. Reliant Center gave us a bid, which was considerably more than TSFSRD could pay and complications such as parking, ruled Reliant out as a venue. The George R. Brown said they would not consider renting to us until about a year away from the event. It seemed they were hoping to hook a bigger fish and didn't want to be tied to a small contract. Other venues we looked at were Merrell Center in Katy and Berry Center in Cypress. Both of those facilities are unavailable the first three weeks in June of any year.

The Lone Star Convention Center in Conroe is slightly on the small side for the State Festival, but we could have made it work. Some of the rooms have carpeting, but we could have made that work as well. The biggest problem with Conroe was the lack of convenient hotel rooms and the total absence of camping facilities. The facilities are there, but they are booked with other annual events, since that is a resort area. Given these issues and the fact that their price was slightly more than Waco, we ruled them out as a possibility.

Texas

Moody Gardens delivered a reasonably priced bid for the dance facilities, but there was a catch. They wanted a guarantee of 300 rooms for the weekend at \$199.00 per night (summer season rates). As a group, we decided that the room price was not in line with what dancers were willing to pay per night. Other hotels in the area are also much more expensive than they are in November, when we generally have Hoedown. Also, that time of year on the island can get very crowded, as it is the height of vacation season. Overall, as a committee, we decided that Moody Gardens was not a viable solution.

That brings us back to Waco for 2016. The facility is a good size and will comfortably accommodate all of the dancers and the different dance halls. The hotel room prices are more reasonable and not as many are required to guarantee the facility price. There is plenty to do in and around the Waco area and many other hotels and restaurants. It's more centrally located in Texas, so the people from Amarillo or El Paso who want to attend will not have to drive as far. While it is not exactly Houston's backyard, it is not an arduous trip.

Even though it will be in Waco (if TSFSRD approves our bid), HSRDC will still be the host for the Friday night event. The Texas Callers Association sponsors the Thursday night dance, the host council sponsors the Friday night event and TSFSRD sponsors all of the Saturday events. What that means is that HSRDC will be responsible for manning the registration booth, will plan the caller line up (working with the President of Houston Caller's Association) and will get the net proceeds from the Friday night dance. It is up to HSRDC if they want to have a "Split the Pot", offer a raffle item or items or do any other types of fundraising.

The Board of Directors for TSFSRD will vote on whether to accept our bid during their meetings at the State Festival in San Marcos, June 6-9, 2013. After the vote, then planning will begin. Volunteers will be needed in many areas, so be thinking about what you want to do to help make the 2016 State Festival a huge success.

THE DELIGATES AT THE TSFSRD MEETING FOLLOWING THE STATE FESTIVAL **ACCEPTED** OUR BID.....IT WILL SOON BE TIME TO BEGIN THE WORK.

What would you like to volunteer for? Put your bid in for a position? Contact Roxie or Bruce until further notice.

SPECIAL DANCE CALENDAR

HSRDC's special dance calendar is a great tool to schedule club dances and or to schedule visitations, To make it complete we need each of our clubs to submit their 2013 and beyond dance calendar. Date, name, time. And caller/cuer are needed. Please include any change of location. Be sure to take advantage of this free publicity listing. Send your information to Jerry Tucker at

FEATURED CLUBS OF THE MONTH

Frontier Squares

Frontier Squares was formed in December of 1964 by a group of square dancers who thought the Clear Lake area should have a square dance club. NASA was nearby, so they named the club after the old frontier and the new frontier. The club has danced at the Webster Civic Center, Clear Lake Recreation Center, and Gilruth Center at NASA. The club now dances at Westminster Academy in Webster. Square dance classes are held each year from September to April. Without new dancers our clubs would shrink and die.

The annual Luau was the idea of Homer Markos in 1977 while at a club board meeting. The club is grateful to all the clubs for their huge support of our Luau and to Hanger Squares for trading to go dark for the Luau as Frontier Squares goes dark for their Jubilee. Clubs who work together have successful events.

Club callers have been Eddie Hagen, Carl Miller, Pat Barbour and Bob Baier since 1974. The Prows and Waguespack cue for the club on a regular basis. The club also enjoys dancing to many guest callers.

Janet Klein, one of the Frontier's members, had a college class project to write about a subject of her choice. She chose Frontier Squares. There are more interesting details about the club.

Over the years many of the Frontier Squares members have worked hard to support the HSRDC to help strengthen it and make it a successful organization.

TO THE NEW DANCERS

For a new dancer, square dance clothes can seem quite daunting. They are a totally different concept than street wear because they are a costume. The trick to looking good in square dance outfits is getting the proportions right. A skirt that is too short looks like a tutu and one that is too long looks frumpy. A dancer should wear the shortest length that looks good because the longer the skirt, the heavier she will look.

Skirts are usually measured from below the waistband and should match in length to a petticoat measured from top to bottom. This is so you can wear the petticoat at the bottom of the skirt waistband (staggered) and not have all the elastics in one place. This makes the petticoat flush with the bottom of the skirt. You should be able to see the petticoat on the curve but not hanging below the hem of the skirt.

- ◆ Blouses should be somewhat loose with plenty of room to move in the shoulders and armholes.
- ◆ A belt will cover the skirt waistband and finish off the outfit.
- ◆ If you want to determine your ideal skirt length and size, please feel free to come by Rhythm Creations and I will be glad to spend some time with you and show you how it all works together.

See you in a square.

HEARING ASSIST UNITS

A number of clubs, callers and cuers are using hearing-assist systems. These systems consist of a transmitter that's hooked up to the sound system and receivers with ear-bud or ear-speaker worn by dancers. Dancers can purchase the receiver for around \$100.00 to \$160.00 depending on the model. The caller/cuer typically transmits voice signal (this is what most dancers who are hearing-impaired have trouble picking up).

The following clubs are using hearing-assist systems:

**Brazos Bottom Belles & Beaus
Strawberry Squares**

**Frontier Squares
Sunday Stylers**

**Hanger Squares
Carousel Club #223**

Hey Lollies

The following callers/cuers are using hearing-assist systems:

Mark Prow

Brice Hesche

Garland Smith

Randal Diamond

An assistive listening system makes a wireless, electronic connection between the sound source and your ear. This “bridging” effect eliminates the effects of distance, background noise and reverberation so that you can hear and understand better; it’s like having the sound source right next to you. If you are in the back of the room, the sound volume can be adjusted at your ear to be as loud as you want, without increasing the loudness of the background noise in the room. Even if the room is noisy or very reverberant, you should still be able to hear clearly, since the listening system is bypassing all the acoustical conditions in the room.
