Want to take about 6,000 steps in an evening, while having fun and laughing?

Want to do this while listening to a variety of music, such as Country, Rock or Gospel, perhaps Andreas Bocelli and Celine Dion, Paul McCartney, Journey, Little Texas, Lady Gaga, Johnny Cash, Elvis, Bruno Mars, Frozen, Styx, Bruce Springsteen, and so many more. (Google Square Dance and your favorite artist and see what you find.)

Try Modern Square Dance. While it is important to know your right hand from your left, it is not important to know your right foot from your left. No one cares which foot you step with first. You need to be able to walk a steady pace, and pay attention and follow the directions of the caller for about 20 minutes at a time. Take a break with the group, and then get up again for the next tip.

Callers may call solo, in duets or groups.

Dances may have a few squares to hundreds. Once you complete lessons, you will find dances to attend in all states and many countries. Calls are always in English. Left Allemande and Promenade are not translated, even if the caller is singing in German or Japanese. We have danced with people who cannot speak English, yet understand the direction of the caller when he says star left or circle right.

There are many clubs in the Houston area. Some offer lessons. Below are some clubs hosting lessons.

Please check with the club to verify time and date and determine if they are a family and/or singles or a couples club. If you have children you might ask about that, some children/teens can pay attention

and dance very well, some choose not to, this holds true whether they are 8 or 18 or 80. Are they a casual club or do they dress a little nicer or more festive. Please see <http://squarethru.com/> for Houston Area Square Dance Info.

Here are photos of some of the fun we have had.
