PRESIDENT'S LETTER

Several of our clubs have had great turn-outs at their fall Fun Nights and have now begun lessons for their new students. We congratulate you and welcome all the new students. Members, please get to know your new dancers and make them feel a part of the group immediately. They are a great asset.

Our treasurer reports that a number of you have sent in your *Hoedown* registration. You still have time to get the early registration price if you hurry.

Dancing will begin on Friday with early rounds at 7:00 and on Saturday at 9:30 with various types of dancing. Saturday's activities will include introductions to contra and to A, and A and C dancing, as well as mainstream, plus, DBD, high-energy/teens, and rounds. Our featured caller, Dee Dee Dougherty, has some special things planned for us. Friday night's after-party will be a surprise; Saturday afternoon plans include dancing on the beach after a fun fashion show; the Teen Lock-In will be Saturday night; and our usual eat 'n' visit after-party will be held on Saturday night. Hoedown will conclude with a devotional on Sunday morning. Once again, new students may come to observe free and may participate in a special session on Saturday just for "newbies".

The special attraction at Moody Gardens at this time is the nightly Festival of Lights. One of the largest holiday celebrations in the region, it includes more than one million lights within 100 sound-enhanced animated light displays and live entertainment. You can skate around on the outdoor ice skating rink, take pictures with Santa, or watch holiday films in the MG 3D, 4D Special FX or Ridefilm theaters. The cost of this extra available entertainment is only \$6.95. The hours are 6:00 to 10:00. It may be hard to squeeze in, but if you can arrive early or stay until Sunday night, it will be worth your while.

Our upcoming 4th quarterly meeting will be held December 6, just prior to the Sunday Stylers' special Christmas Dance at the Knights of Columbus hall on Whitney. Ladies, you've an extra opportunity to wear your Christmas finery!

Don't forget about the three new monetary incentive programs (one for club visitations & attendance of HSRDC functions, one for reimbursement of funds a club spends on a hearing enhancement transmitter, and one for reimbursement of publicity expenses) Extra forms for all three may be found on the HSRDC website, www.squarethru.com.

See you in a square as we . . .

Dancing Right

By Brian White

This month's call is **Run**, which consists of *Boys Run*, *Girls Run*, *Centers Run*, *Ends Run*.

STARTING FORMATION: Any two-dancer formation in which the directed dancer has a shoulder directly adjacent to the other dancer.

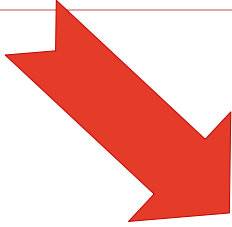

DEFINITION: The directed, or active, dancer (the dancer doing the **Run**) moves forward in a semi circle 180 degrees around an adjacent, or inactive, dancer (the dancer being **Run** around) to end in the adjacent dancer's starting position. Meanwhile, the inactive dancer, who may be facing in any direction, adjusts by stepping, without changing facing direction, into the vacated starting position of the active dancer. The active dancers doing the **Run** will always reverse their original facing direction. If the direction to run is not specified right or left and if the active dancer has an inactive dancer on each side then centers run around ends and ends run around centers. Runs from an Alamo circle are to the right unless otherwise directed.

DISCUSSION: The active dancer will always walk forward and will always end up facing the opposite direction from their starting direction. The inactive dancer will never change their facing direction. The only thing the inactive dancer will do will be to take the place of the active dancer once they execute the **Run**.

Sometimes dancers get confused and they will back up to execute a **Run**. Another problem is that sometimes the inactive dancer will flip or fold over into the vacated spot left by the active dancer. The inactive dancer never changes direction.

Dancers do not seem to have a problem executing a **Run** as long as the dancer they are running around is facing the same direction or the opposite direction they are facing. If the inactive dancer is facing the active dancer's shoulder or has their back to the active dancer's shoulder there seems to be a problem. Do not let the facing direction of the inactive dancer confuse you. The active dancer is to **Run** around an inactive dancer regardless of the direction the inactive dancer is facing.

STYLING: Hands should blend into regular handhold required for following formation (i.e. wave or line).

Subject: HSRDC 64th Hoedown Program Book Advertisements

The Houston Square & Round Dance Council, Inc. (HSRDC) 64th annual Hoedown will be held on November 16 and November 17, 2012.

An activity of this size requires many resources and to raise the resources for this Hoedown the HSRDC will be printing its annual Hoedown Program Book. This is a great opportunity for clubs, dancers, and businesses alike to advertise their upcoming events. We would like to invite you to place an advertisement in this book, and to encourage others not involved in this wonderful activity to also utilize this year's program book to advertise their business. Clubs that would like to assist in promoting advertisements in the Program book will receive a 10% discount off their price when they get three non-dance related businesses to advertise in the Hoedown program book.

Deadline is October 15, 2012 for submission of ads and money. Check with your club presidents for a list of prices. However, early submission makes our job easier and lessens the chance of forgetting. Checks should be made out to Houston Square & Round Dance Council, Inc. and submitted to:

## HOUSTON CALLERS ASSOCIATION NEWS

The HCA called the Tomball Promenader's anniversary dance Saturday, September 8. If you missed it, you missed a great dance. The spaghetti and meatball dinner was excellent. The members of the Promenader's really know how to put on a special dance. A big thank you to the Promenader's for allowing the HCA to call the dance. In addition, many thanks go to the following HCA members that donated their time, talent and sound equipment: Bernie Youngblood, Brice Hesche, Stu Ringer, Wade Driver, Carol Teal, Mykela Greenwood, Gary Sanders, Hubert Kerr, Georgann Francis, Mark & Pam Prow and Brian White.

The HCA will be sounding the various halls and calling the Friday night dance for the upcoming HSRDC Hoedown November 16 & 17, 2012. The HCA members will also be conducting various workshops during the day Saturday. The HCA will be conducting our fourth quarterly meeting at the Hoedown.
