PRESIDENT'S MESSAGE

One of the nice things about springtime is club graduations. And this spring is full of them! Just like the leaves and flowers that come out to bloom and grow, so does our activity. Beginning in April, the Hey Lollies will have a graduation, followed closely with Frontier Squares and The Woodland Stars. In May, the Bluebonnet, Hanger, Fairbees, and Strawberry Squares will graduate new dancers, as well as Tomball Promenaders and Humble Wildcatters in late May. Before true summer begins, well almost, Ganado Mustangs will host a graduation in late June. Sometime this spring Bob's Best, Syncopation Cloggers, and Lake Jackson Promenaders will also graduate dancers. El Campo plans on another graduation in late summer. Remember they had a new graduate at the Cotton Squares dance in February that beat Bruce in Cotton Picking!!! So much for youth!!!!

Brazos Bottom Belles and Beaus and Katy Promenaders had a winter graduation. The BBBB have plus lessons in progress and Katy has initiated a "Rusty Hinges" (Mainstream Workshop/Review) class. This seems to be a big success for many dancers that want to return to square dancing but just wanted a short review before hitting the floor. Hats off to Katy! Most clubs will follow with plus lesson soon after graduation. Keep a close watch for these club activities in the Where N When or on our web site www.squarethru.com for dates and times.

Like the flowers and plants, these dancers need nurturing. As seasoned dancers it is your responsibility to dance with them in a square. Someone helped you. It is now time to return the favor. Outside of being in their square find time to educate them about other clubs in the district and the fun to be had when you visit...and take them with you when you visit!

Don't forget dress. Some clubs give their new members opportunities to purchase square dance attire at the club level. Be sure to educate them on the Trade N Buy/New Dancers Jamboree for added benefits and additions to their square dance attire. This date is April 13, 3:00 – 6:00 at the Jones Hanger in Friendswood. (This is where the Hanger Squares dance.) Don't forget this is also a dance for new dancers to start their journey of new friendships outside their club.

Without new dancers our energies begin to fade. Without new dancers this great activity we fade as well. What will be your part of keeping this fun activity alive?

Let's keep the Houston Square and Round Dance Council member clubs active for many more years
Hope you join us soon as we are now

HSRDC OFFICES IN REVIEW

The offices of Friendship Director, Historian, Photographers and Class Coordinator and Educational Director follow the same guidelines as other appointed officers. They are expected to attend HSRDC functions and wear their HSRDC badge and proper square dance attire. Special assignments to the Friendship Director position are to maintain the records of all dancers that submit Friendship visitation cards, distribute the badges earned and submit a report to the Where N When editor in a timely fashion. Oscar and Suzi Aleman are the 2013 Friendship Directors.

The 2013 Historians are Dan and Marlene Payne. Dan is an expert in cataloging photos and keeping great records of past and present pictures. In fact, Dan has designed his own program to fit his needs! He will also compile this year's scrapbooks.

Dan is also a photographer along with Kaye and Bill Lewis and Raymond Fisher. As designed by their title, they take pictures of all events during the year. All photographers will turn their pictures into Dan to review for the scrapbooks. If any square dancer wants to submit pictures for Dan to review you may.

The positions of Class Coordinator and Education Director have been combined. Wayne and Donna Meiers have filled this position for many years. The duties of this office are to maintain a list of clubs that are conducting lessons, have this information available to the president and for publication in the Where N When, be a contact for any person requesting lessons, confirms with clubs the actual graduation date, be the custodian of all educational materials and see that these are prepared for each graduation and available upon request by any club. Upon request they will provide a display of educational materials at Quarterly meetings, New Dancer Jamboree and Trade N Buy and student dances. They will attend as many graduations as possible to present materials to new students and upon request be part of the graduation ceremony.

PRESIDENT'S NEW BITS

~~~~~Don't forget the Trade N Buy/New Dancer Jamboree on April 13 in Friendswood. This is a great opportunity for all dancers to add to their dance attire for a reasonable cost or to sell square dance attire that is no longer needed. Don't forget to bring cash in small bills. Change is often an issue. A donation of \$3 is requested of ALL dancers to offset any expenses. If you need some tips on how to choose square dance clothes look for an article written by Jimette Smith in this issue giving you some advice.

~~~~~ Club officers that are in charge of admissions may want to review the policy that refers to which elected and/or appointed offices can receive free admission into a dance. Just as a reminder.....any officer that is attending on HSRDC business or caller/cuer is not expected to pay a donation at the door. It is a policy that the Presidents do not pay on any visitation; however, they are not the only officers that donate much time and energies to promoting our activity. Many clubs have elected to admit the executive officers without a donation to all dances, especially Anniversary Dances. Again, this may be a way to show your appreciation to these officers that donated much time and energies to promote this activity.

~~~~~2<sup>nd</sup> Quarterly Council Meeting is May 11<sup>th</sup> in Humble, May 11, at the Humble Activity Center, 1401 S. Houston Ave., Humble, Texas. The council meeting begins at 4:30. (District Directors meet at 3:30). The meeting is followed by the Wildcatters Fun Fest dance featuring Lee Hailey, caller and the Prows Cueing.

~~~~~CORRECTION The names of Dave and Vicky Wills were omitted in the March Where N When write-up, HSRDC President's Ball in Review, They, too, were honored along with the 13 other presidents in attendance. .

~~~~~Don't forget to order your coffee mug commemorating our 65 years of continuous dancing. Contact Roxie or Bruce at 713-203-5877, or [roxie\\_w@hotmail.com](mailto:roxie_w@hotmail.com). These will be available at the 2<sup>nd</sup> Quarterly Council meeting on May 11.

~~~~~Crosby Swing Squares will not be dancing until September 6, 2013. Contact Hubert or Amy Kerr for more information.

FEATURED CLUBS OF THE MONTH

Crosby Swinging Squares

In May of 1984, a group of club members were gathered at the Newport Country Club and the conversation drifted to social activities. Someone mentioned an interest in learning to square dance, an activity enjoyed all over the world. This idea brought great interest and it was decided that they would attempt to get a club started. John Bymes contacted Jim Pyle and ask him to cue for the club. Jim Pyle enthusiastically took action and called Merrbach Record Service who produced square dancing records in Houston. Through Merrbach Records Hubert Kerr was contacted. Hubert agreed to teach lessons and to call dances for the club. The Newport Country Club manager, Jake Bodiford, was approached for a free room at the club to begin square dancing. Jake agreed and offered adequate space for the square dancers as well as publicity in the Newport Country Club calendar.

In August of 1984, the first meeting was held and election of officers as well as basic rules for the club. The club voted to dance on Thursday nights at the Newport Country Club and to name the club Newport Swinging Squares. At that time the club joined the Houston Square and Round Dance Council. The first Thursday in September 1984 Hubert Kerr instructed the beginner and mainstream classes. Unfortunately they had to dance on a carpet floor; that was not comfortable for dancing.

In 1989, the opportunity came for the club to move to the Knights of Columbus Hall in Crosby. There was ample space and a better floor for dancing. However, the Knights of Columbus Hall's location was often difficult for visiting clubs to locate.

In 1997, for a better location, the club moved into the center of Crosby to the American Legion Hall on FM 2100 where they have a nice wooden dance floor. In 1999, the club voted to rename the club to Crosby Swinging Squares so that other clubs would recognize that the club danced in Crosby, Texas.

FEATURED CLUBS OF THE MONTH

History of The Woodlands Stars

In the spring of 1978 a small group of would-be square dancers gathered at the Woodlands Swim and Athletic Center and under the instruction of Luther Pitchford began what is today, The Woodlands Stars Dance Club. Luther directed the group slowly through the fall and winter months.

Among the original group were Snowden and Alma Nantz who danced earlier with the Springalings, Don and Ginger Neville who had learned to square dance in Singapore, and Tony and Laura Catania.

In February 1979, Jerry and Mary Markowich made their first visit to The Stars. They had learned to square dance in Pleasantville, New York. In March 1979 the group hired a new caller, a young man named Kevin Bacon, and moved their location to Jan Pierce Dance Studio in Oak Ridge. Dancing with at least one square the club took shape as a group of friends having fun square dancing (and that's still what square dancing is all about - having fun!). Shortly thereafter the first class was organized.

In August 1979 The Stars moved to a new home, The Lord of Life Lutheran Church. In March 1980 they officially adopted by-laws and became The Woodlands Stars Square Dance Club. The officers were Fred and Cass Shetz, President.; Don and Ginger Neville, Vice President; Lynn and Becky Affleck, Treasurer; and Jerry and Mary Markowich, Secretary.

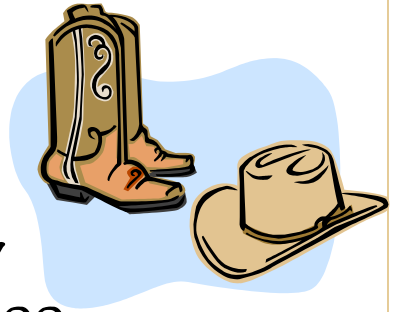

Ten couples signed the by-laws and became the charter members

The Stars caller roster included Luther Pitchford, Kevin Bacon, Glen Green, James Martin, K O Jeanes, Stu Ringer, Jerry Hay and Pat Kotal.

Students & New Dancers will have the first opportunity to purchase gently used square dance apparel at great prices!!!

A new and innovative approach this year.

Sellers will be furnished a table to display their wares and sell from those tables. The sellers will set their own price and be in charge of their monies and receipts. **The council will not intrude on the sellers opportunity by handling money, pricing or sales. Those with items to sell must bring their own change. SELLERS WILL BE ADMITTED AT 2:30 TO SET UP FOR THE TRADE N BUY.**

For those who wish to donate their wares to the Teen Scholarship Fund, the council will man a separate table to display and sell those items.

The Trade N Buy is one of the four district wide functions that the HSRDC provides for our clubs and dancers. We hope our clubs and callers will take advantage of this opportunity to bring our dancers from all over to share in the fun and fellowship. This is the best opportunity for clubs to bring their students and new dancers to a city wide function and it also allows the new dancers/students to obtain apparel at a very reasonable price.

Want to be a plus dancer? Here's your chance.

Learn to take pride in your dancing. This will be the only plus class offered by Bob in 2013.

## HEARING ASSIST UNITS

A number of clubs, callers and cuers are using hearing-assist systems. These systems consist of a transmitter that's hooked up to the sound system and receivers with ear-bud or ear-speaker worn by dancers. Dancers can purchase the receiver for around \$100.00 to \$160.00 depending on the model. The caller/cuer typically transmits voice signal (this is what most dancers who are hearing-impaired have trouble picking up).

The following clubs are using hearing-assist systems:

**Brazos Bottom Belles & Beaus  
Strawberry Squares**

**Frontier Squares  
Sunday Stylers**

**Hanger Squares  
Carousel Club #223**

**Hey Lollies**

The following callers/cuers are using hearing-assist systems:

**Mark Prow**

**Brice Hesche**

**Garland Smith**

**Randal Diamond**

An assistive listening system makes a wireless, electronic connection between the sound source and your ear. This “bridging” effect eliminates the effects of distance, background noise and reverberation so that you can hear and understand better; it’s like having the sound source right next to you. If you are in the back of the room, the sound volume can be adjusted at your ear to be as loud as you want, without increasing the loudness of the background noise in the room. Even if the room is noisy or very reverberant, you should still be able to hear clearly, since the listening system is bypassing all the acoustical conditions in the room.
