Can you believe the year is half over? Where does the time go. It seems like we were just celebrating 2018 and now it is half gone.

The Where 'N When will be looking for a new editor for 2019. It is time for me to step down and let someone else do this job. The call of nominations of new officers will be coming out soon.

The editor of the Where 'N When collects the ads and articles for the month and assembles them into a newsletter format. I use Adobe inDesign, but it can be done in Microsoft Publisher, or even Microsoft Word. There are also other newsletter publishing programs available, so it is whatever software you are most comfortable using. The ads are due in and should be in "camera ready" format. This means they should be sized and ready to fit into the space. The next page lists the ad sizes. In most months, there

may be flyers to include for various annual activities and the message from HSRDC president. I collect art from various free sources on the internet and write the occasional article. If you are interested in becoming the editor, please contact Linda Edwards.

I enjoy the creative aspects, but after 5 years, it is time for someone else to take over.

Dancing Right

by Brian White
President - Houston Callers Association

I urge every dancer to read each month's article regardless of how long you have been dancing. Study the definition and memorize it. Read the different parts to each call from starting positions to ending formations and please do not skip the Styling portion of each movement. There are some excellent dancers in this area but in my opinion good dancing is also supposed to be smooth and pretty dancing. In other words, the styling of dancing in this area (along with other areas) leaves a lot to be desired. This month I will start from the very beginning. I welcome any comments or questions. My email address is listed in the HCA website.

Circle Left / Circle Right

This movement can be done with 2, 4, or 8 dancers.

The call Circle, without a direction, is a shorthand for Circle Left.

The caller may call Circle Left, Circle to the Left, Join Hands & Circle Left or simply Circle. Circle Right, Reverse (while circling left), Circle Right the other way back are directional calls indicating different from left.

Dancing Action:

Dancers join hands with adjacent dancers to form a circle and move the circle in the indicated direction, or to the left if no direction was given. The amount to circle may be a specified distance (e.g., Circle Left Half Way) or until the next command is given (e.g., Circle Left or Circle Right).

Ending Formation:

From a Circle of 8, the call "Stop at Home" is a squared set.

From facing couples ends in facing couples.

From facing dancers ends in facing dancers.

Styling:

In circles with alternating men and women, men's palms are up and women's palms are down. In circles where same genders are adjacent, everyone has the right-hand palm up and the left-hand palm down.

When Circle is called with facing couples (4 dancers) or facing dancers (2 dancers)

The caller may call Circle Left 1/2 Way, Circle 1/2, Way Around, Circle Right 3/4, or Circle Left 3/4 of the Way Around

Some callers will use the phrase "Single Circle" for circles of 2 dancers (e.g., Single Circle 3/4 to A Star Thru).
