1.0 Appointed Directors - General Information

Directors are appointed by the President after he is elected at the third quarterly meeting. See Addendum 1 for job descriptions. It is recommended that an appointed director serve no more than three years in the same position. However, in no event should a director remain in a position for 10 consecutive years with the exception of photographers.

1.1 Official HSRDC Functions

Official functions of the Houston Square & Round Dance Council, Inc. are quarterly meetings, special called meetings, the Houston Hoe-Down, , the Presidents' Ball, , the Teen Scholarship Dance, and the New Dancer Jamboree and Trade 'N Buy.

1.2 Council Dress

It has been traditional that the dress for the elected Council officers be some combination of red, white, and/or blue for both men and women. It is the prerogative of the incoming Council President to select the dress. The women's dress for meetings may be different from the dancing dress. The dress for the Appointed Directors and District Directors will be decided by the incoming Council President. This dress can be the same as the Executive Board's or some other combination of red, white, and/or blue. Availability and expense should be a primary consideration.

1.3 Wearing of Council Badges

All Elected Officers, Appointed Officers and District Directors are requested to wear their Council badges to any square and round dance function, including Texas State Federation of Square and Round Dances (TSFSRD) and other TSFSRD Associations.

1.4 Meetings

It is the responsibility of the incoming President to arrange for a meeting of the incoming Executive Board of the Council to outline the goals for the upcoming fiscal year. This meeting should be held prior to the beginning of the new fiscal year. Following this meeting and prior to the first quarterly meeting, the incoming President will arrange a meeting of all newly elected
Council Officers, Appointed Officers and District Directors. The President is responsible for the location, sound and set-up (tables, chairs, refreshments, etc.) for Council meetings.

1.5 Displaying the Council Banner

The Council banner will be displayed at every official function of the Council and the TSFSRD Conclave and Festival. The Council First Vice President is responsible for the banner's safekeeping.

1.6 Displaying the Flags

When possible, the United States and Texas flags will be displayed at every official function of the Council. The United States flag should be displayed on the left-hand side of the stage (when facing the stage). The Council First Vice President is responsible for the safekeeping of the flags.

1.7 HSRDC Displays

The "Promoter of the Year" (Dancer of the Year) plaque, "Past Presidents" plaque, Club Badge Board and Club Location Board should be displayed at every official function of the Houston Council. The Second Vice President of the Council is responsible for the safekeeping of the displays.

These items will be given to the President before the initial Council meeting.

It is recommended that a suggestion be made to the club president to bring club members to the meeting to be presented as a group to the Council delegates. A background/history, time and place of dance, how often the group dances, number of members, why members wish to join the Council, how their club is going to be an asset to the Council, etc. should be presented by club to Council delegates.

Two different office representatives from the Executive Board will visit a club that has made application to join the Council at the previous HSRDC meeting. All members of the Executive Board are invited and encouraged to attend.

The purpose of the visit is to acquaint or review members of the club with the HSRDC organization, its function in the square dance world, advantages to member clubs belonging to HSRDC, obligations of member clubs to HSRDC and clarify questions which the membership may have about the Council. (See outline of items to cover, Appendix F.) A regular dance night is recommended with prior arrangement made with the club.

Following the visit, the two different office representatives from the Executive Board who attended will sign and date the application sheet.
2.1 Why Should a Club Belong to an Association?

1. Because an Association

   d. Offers group dancer insurance (medical and liability).
   e. Sends delegates to represent you at State business meetings.
   f. Promotes square and round dancing activities through combined publicity efforts. Clubs having any special dances can publicize their dances and secure cooperation of member clubs. Local associations can secure advertising publicity through TSFSRD media. Member clubs can obtain information concerning special dances and festivals throughout the State from their local association, officers, or club and association delegates.

2. An Association MAY also:
   a. Keep a blood bank account available for any member and his immediate family.
   b. Publish a newsletter
   c. Have available large coffee and tea urns for use by member clubs at their special dances.
   d. Promote visitation with a friendship badge program.
   e. Keep a calendar of events (both dances and lessons) to help prevent conflicts in schedule.
   f. Make available lesson booklets.
   g. Sponsor sewing clinics and fashion shows.
   h. Sponsor a once a year special dance weekend.

3. If clubs belong to an Association then:
   a. The clubs work as a unit, which makes a stronger working association.
   b. The association is a place where dancers can bring their problems and grievances and obtain help in solving them.
   c. Membership in an association enables dancers to present their opinions and ideas, thereby benefiting the individuals as well as his/her club.
   d. With the cooperation of clubs, local associations and the State Federation, we can accomplish things together that individuals or clubs cannot do alone.

Remember: Dancers, through their clubs, Associations, and State Federation work together to promote square and round dancing; thereby receiving even more enjoyment for the finest of all recreations.

10.0 HSRDC BANNER ACQUISITION RULES

(I) PURPOSE: To encourage visitation between clubs and to stimulate interest and enjoyment of square dancing. In applying rules, these purposes must be kept in mind.

(II) WHAT IS A BONA FIDE SQUARE? Any eight members of a visiting club (including host club members, callers, HSRDC, state, and or national officers) who register and donate, may be counted to make the necessary eight members.

(III) WHO QUALIFIES TO ACQUIRE THE HOST CLUB’S BANNER? Any bona fide square signing the guest register and asking the host presiding officer for the banner qualifies. They can take possession of the banner at the end of the dance provided. (A) The visiting club does not already have the host club’s banner; or (B) If the host club has the visiting club’s banner:
   (1) The visiting club must first have a bona fide square retrieve its banner.
   (2) A second bonafide square from the visiting club may then acquire the host club’s banner.

Clubs may negotiate their own more favorable agreements for banner acquisition and retrieval by agreement of both club representatives. e.g. capture with fewer than eight members. If the outflow of banners is excessive on any given night, the host club may limit the number of banners given.

(IV) HOW MANY BANNERS CAN A CLUB ACQUIRE FROM ANOTHER CLUB? No club is required to relinquish more than one banner to any club.

(V) WHO QUALIFIES TO RETRIEVE AN ACQUIRED BANNER? Any bona fide square signing in is qualified to retrieve its banner at the end of the dance. Clubs may negotiate their own more favorable agreements for banner retrieval by agreement of both club representatives. e.g. retrieval with fewer than eight members.

(VI) AT WHAT DANCE CAN A BANNER BE ACQUIRED OR RETRIEVED? Any dance held by a club is included under banner acquisition rules. This includes those dances held on different nights or at locations other than normal except as in (paragraph VII below). Clubs may exclude two dances a year from the banner rules. Exempting clubs must give written notice in the “Where n’ When” of the exceptions one month prior to and the month of the dance exempted.

(VII) WHAT ARE THE QUALIFICATIONS FOR CLUBS DANCING ON THE SAME NIGHT? (I.E., A 1st & 3rd Saturday club visiting an every Saturday club). The banner can be acquired only by prior agreement of the officers of the two clubs.

(VIII) IF THE BANNER HAS ALREADY BEEN ACQUIRED, ARE SUBSTITUTES IN ORDER? Substitutes are required if a host club does not have a banner to give upon request. Substitutes are considered the same as banners and the same retrieval procedures apply.

(IX) WHAT ARE THE TIME LIMITS OF KEEPING AN UNCLAIMED BANNER? (A) If a banner has not been retrieved after 6 months, one couple can retrieve their club’s banner.
(B) If a banner has not been retrieved after 12 months, it is the responsibility of the club affected to pick it up in any way possible.

(X) WHAT IF THE HOST CLUB IS IN POSSESSION OF ITS BANNER, BUT FAILS TO HAVE IT AT A DANCE? It is the responsibility of the host club to get the banner to the visiting club as soon as possible.

(XI) WHAT IF A CLUB IS NOT DANCING ON THE NIGHT OF AN ATTEMPTED BANNER ACQUISITION? It is the responsibility of the visiting club to ascertain that the club is dancing before going there. If, however, the visiting club checks with the club president and is told that the club is dancing, and the visiting club arrives to find no dance, the visiting club is entitled to the host club’s banner, or its own, whichever is appropriate.

(XII) HOW ARE DISPUTES OVER THE RULES HANDLED? All disputes are to be handled between the presiding officers of the two clubs. If the presiding officers cannot agree but both agree to outside arbitration, the president of the H.S.R.D.C. will make the decision.

(XIII) WHAT ABOUT CLUBS NOT AGREEING TO BANNER ACQUISITION RULES? Any club not agreeing with banner acquisition rules shall notify the council in writing and publish their exemptions in each issue of the “Where n’ When.”

(XIV) CAN A DANCER BELONGING TO MORE THAN ONE CLUB CHANGE THEIR CLUB AFFILIATION AFTER SIGNING IN? Dancers that are not members of the host club should determine the club they will represent before signing the register.

Short Version - Square Dance
Candlelight Graduation Ceremony

A. You graduates have accepted an invitation to graduate. We now ask that you all join hands in a continuing bond of friendship. Listen carefully to the real meaning and spirit of true square dancing.

B. We have formed a square with candles representing the four corners of the square. Will you focus your attention at the first corner while __________ lights the candle representing the Flame of Friendship. The common bond that has brought us together has, in fact, given you many new friends. Not only in the class you have just completed, but in many clubs. When you find that these friends really do want you to come and dance with them, you'll want to spread your wings and travel trails before you. When you get there, you'll find more friends. When square dancers come to your club, remember, you don't need a third person to introduce you. Introduce yourself and then introduce your new friends to the others in your club. "A stranger is just a square dance friend you haven't met before."

C. Along with Friendship comes Duty to your club, __________ will light the Flame of Duty. Duty, think of this word for a minute. Think of the duty of home, community, state, and your nation. As a child needs love, a tree water, so does a square dance club need faithful and willing workers. When you are asked to serve in any capacity, if at all possible, accept. Never let it be said that you shirked your duty or refused to serve. You, and those who follow, should help keep the Flame of Duty burning brightly so that others may see their way clear to helping in the fun.

D. The third corner represents the Flame of Democracy, __________ will ignite the Flame of Democracy. As our forefathers have done, so do we do the greatest good for the greatest number. It then behooves your own best interest to take part and your duty and privilege to offer ideas and suggestions to the officers and Caller (or Callers) of your club. May each of you look back upon the history of this great United States burning in your club, home, and country.

E. As we conclude our symbols depicting what square dancing should mean to you as well as millions of square dancers all over the United States, we will ask __________ to ignite the Flame of Fun. This is our ultimate aim in square dancing. This is what we get out of our great hobby. Always remember, you were once beginners. Extend a smile to the new dancers who will be joining you in your dancing future. Remember the mistakes you made, and you'll know just how your new dance friends are feeling. Then relax and have fun. "Fun" is SPELLED WITH "U" in the middle without "U" we cannot spell success in our club and without "U" in our club, we havenothing.

F. Now your square dance class is completed, but your real journey into fun as a club member is just beginning. On behalf of all square dancers everywhere, we welcome you to the wonderful world of modern, western square dancing!!!!
Introduction:

A candle is such a simple thing, It
starts with just a bit of string.

Yet dipped with a patient hand, It
gathers wax upon the strand.
Square dancing is just a bit of string,
Each tip we dance is a simple thing.

Yellow rocks and shakes of hand, We
gather friendship upon the strand.

Square dancing and candle light,
Make our lives happy and bright.

Ceremony:

(Assemble Students.) As students, you have accepted an Invitation to graduate. We now ask that you all join hands in a continuing bond of friendship, and listen carefully to the real meaning, and spirit, of Square Dancing (extinguish lights).

IN THE FIRST POSITION WE HAVE_____________________________________________.

who are lighting the flame of ACCOMPLISHMENT. You have been together over the past months becoming acquainted with the Folk Dance of America. In its contemporary form, it is a part of our heritage, our traditional dance. Just a few months ago, many of you were virtually unaware of which was your left foot, and which was your right foot. Tonight we recognize the fact that you not only know the Square Dance calls, but that you are indeed square dancers, sharing in the activities and responsibilities of the group.

Along with your ACCOMPLISHMENT comes DUTY. You have a duty to your club. As a child needs love, a tree needs water, so does a club need faithful and willing workers. When asked to serve in any capacity, if at all possible, please accept.

You will now travel on in your journey to position #2 in your square (Graduates turn to 2nd position.)

IN THE SECOND POSITION ARE___________________________________________________.

who are lighting the flame of PATIENCE and UNDERSTANDING. During the time you have spent together, you have learned that not everyone learns at the same rate, and that some of you catch on to
instructions more rapidly than others. Thereby you have learned the gift of patience. And, every bit as important as being patient with others, you have learned to be patient with yourselves.

You have been taught that to make a mistake while dancing is human, and that your responsibility has been to realize what you did incorrectly, and to try to avoid making the same mistake again. You can only do your best.

You will now move on in your journey and travel to position #3 (Graduates turn to position 3).

IN THE THIRD POSITION ARE______________________________________________.

who are lighting the flame of FRIENDSHIP. Can you remember back to the first night when you knew no one in the room? Now, as you look around, you see many friends, people you never knew before. This is one of the brightest lights in your experience as a Square Dancer. The friends you make while dancing will add much to your life, and your friendship will add much to theirs. It has been said that square dancing is like a brick wall - square dancers are the bricks and square dancing is the mortar that holds them together. The motto of thousands of square dancers around the world is: “Friendship is Square Dancing’s Greatest Reward!”

Now move on in your journey to position #4 (graduates turn to position 4).

IN THE FOURTH POSITION ARE______________________________________________.

who are lighting the flame of JOY. May you cherish Joy forever. Joy is the satisfaction that comes with being a part of this wholesome activity of sharing fun with friends. And think of the word FUN. It’s a three-letter word, with “U” (you) in the middle and without “U”, we cannot spell success in our clubs and without “U” in our clubs, we have nothing. Perhaps, during the past months together, you have come to realize that one of the prime treasures square dancing has to offer, is JOY. FUN or JOY, whatever words you wish to use depends upon you, but your laughter and good times will always help keep this candle bright.

Congratulations on having completed the first big event in your SQUARE DANCE journey. There are many more miles to travel and friends to meet along the way. You are now a “SQUARE DANCER” and as such, it is your privilege to bring others into this activity. The same joys, friendliness, and fun that greeted you, are available to them. Take the diploma you receive tonight and display it in your home so that it may serve as a window through which you may look and relive the pleasure of this experience you have shared together.

CONGRATULATIONS and WELCOME to the “World of Square Dancing.”
CANDLELIGHT CEREMONY - ROUND GRADUATION

You have all accepted an invitation to graduate. You have been escorted into this circle by your friends, some are already dancers. Please join hands within your own circle in a continuing bond of friendship. Listen while I tell you about the meaning and spirit of round dancing.

a. We have formed a circle with candles, each of which represents four points on our circle, north, south, east, and west. The couple at the NORTH point (in front of me) are __________, they are lighting the candle representing FRIENDSHIP. The common bond that has brought all of us together will bring you many new friends; not only in the class you have just completed, but also in the club you join. As you visit other clubs you will gain even more friends. When dancers come to visit your club, be sure to greet them as they come in. Smile and introduce yourself and above all, join them in the circle. “A stranger is just a dancer friend whom you have not met before.”

b. With friendship comes DUTY. The next point, WEST, finds __________ lighting the candle representing duty. Think of that word for a minute. There is ‘duty to family, community and the nation’. As a child needs love, and a tree water in order to survive and grow, so does a club need faithful and willing workers. This will be your club, therefore, we give you the responsibility to do your part and carry your share of the load. Keep the flame of ‘duty’ burning brightly so that others may see their way clear to help.

c. To the SOUTH _________________ are lighting the candle representing ALLEGIANCE. As youngsters we learned the Pledge of Allegiance to the Flag and what it meant. All club members owe allegiance to their club. Allegiance is demonstrated by your regular attendance and support. It also means offering ideas and suggestions, your time and energy.

d. As we move EAST we conclude our symbols depicting what round dancing means.

_______________ are lighting the candle representing FUN. This is what it is all about, never forget it. During the time you have spent together, you have learned that not everyone learns at the same rate of speed, that some of you catch on to instructions more rapidly than others. I still tangle my feet doing a fishtail. Extend a smile, and a hug. Remember the mistakes you made and be tolerant. Now graduates, relax and have fun. Fun is spelled with a “U” in the middle and without “U” we cannot spell success in our club. Without “U” in our club, we have nothing.

Your dance class is now complete, and your journey into FUN as a club member is just beginning.

All of the clubs of the ____________________________ and the members of the __________________________ in particular welcome you to the fellowship and fun of round dancing.

TSFSRD also provides liability insurance and portal-to-portal coverage for accident or death for all square dancers when participating in square dancing activities.
