

FUN NIGHT

Heiss Footh Square Dance Club is hosting a "Fun Night" on January 4 and January 11 to introduce newcomers to square dancing and to welcome previous square dancers into the club. Singles, couples, and families of all ages are invited to join the fun, food, and fellowship, from 7:30 P.M. to 9:30 P.M. at the Nessler Center, 2010 5th Ave. at 21st Street North (just off Palmer Highway) in Texas City. No previous dance experience is necessary. Come and have a good time while fulfilling that New Year's resolution of getting more exercise. Square dancing is known as "good, clean fun" which sharpens mental focus as well as increases physical stamina.

Classes begin January 18. The caller for Heiss Footh Square Dance Club is Curtis Byars, who has been calling for over 30 years. For further information on Heiss Footh Square Dance Club activities, contact Herman at 409-948-2875, Sue at 281-331-0666, or Jim at 713-819-4140 or 281-474-4971. We'll make you feel at home.
